

Mobile + Cloud

An end-to-end Mobile + Cloud Solution for the Skill Centres to manage their data with connect to Employment

# Problems faced by Skill Centres today

## Managing + Tracking Data

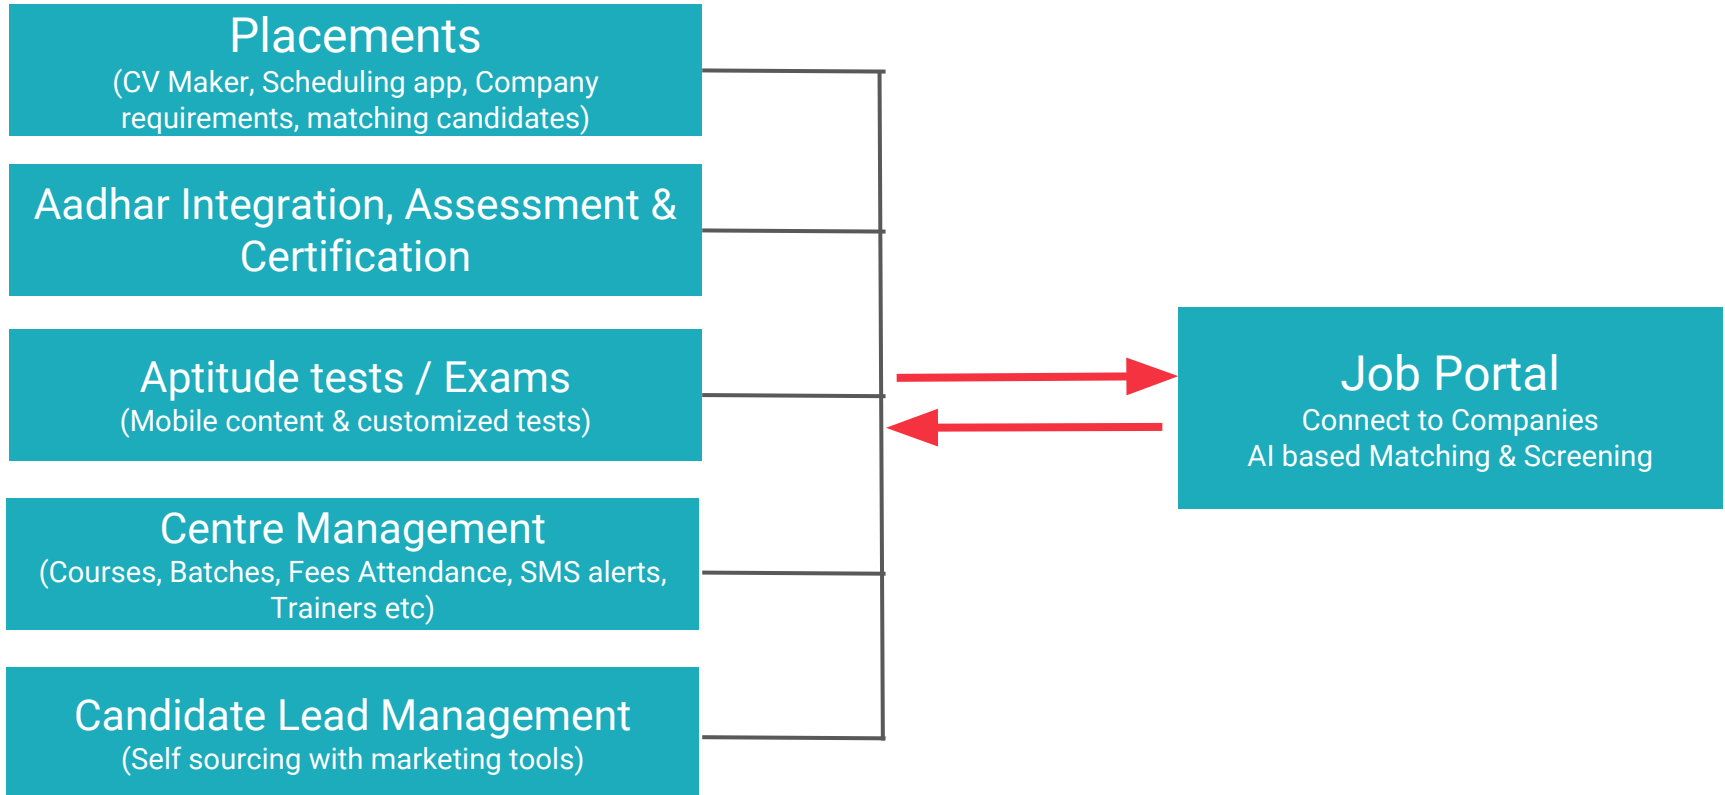

- ★ Field agents & Coordinators still use Pen & Paper
- ★ Data maintained in multiple excel sheets across devices
- ★ Lack of visibility on what's happening on the ground
- ★ Poor attendance tracking - Parents / Guardians unaware of Progress
- ★ Lack of Insights on Students / Trainees progress
- ★ Managing Trainers and Scheduling Batches
- ★ Managing and Conducting Assessments, Certifications
- ★ Generating Reports / Insights for action
- ★ Placement of Skilled candidates

## Job connect

- ★ Tracking & managing companies- which trainee to which company
- ★ Post placement tracking and insights
- ★ Contacting & Sourcing companies for placements
- ★ Finding the right skill match for candidates
- ★ Mobility of candidates to work close to home

# Our Solution & Roadmap

Mobile & Cloud solution to digitize training institutes & connect skilled candidates to the right jobs

# Current Product Features

- **Enquiry Management**
  - Customized Data capture forms for Enquiry
  - Bulk SMS / Email campaigns
  - Create callsheets, follow-up & track progress with multi agent support
  - Bulk upload enquiries. Includes validation of errors
  - Follow-up / create reminders for each action or each candidate
- **Batch Management**
  - Customized Data capture forms for Admission
  - Upload files & profile picture of the candidate
  - Print ID cards & Certificate - Multi card prints
  - Create courses, trainers, batches and subjects
  - Auto Schedule a batch with trainers / classroom with different view based on access control
  - Take attendance for Students and staff
  - Search and filter on any parameters to take actions
  - Track Trainer progress - Trainer to mark sessions / topic completed per day
- **Fee Management**
  - Maintain the complete fee ledger with payment options, discounts, refund etc
  - Add fee installments and track payment
  - Print online Fee receipt & invoice
  - Set automatic or manual fee reminders / SMS to candidate
- **Access Control & Roles**
  - All screens & centers can have access controls based on roles.

- **Reminders & Follow-ups**
  - Auto or manually schedule reminders for enquiry, batches, fees, admissions etc
  - Multiple agent support with follow-ups and notes
  - SMS & Email auto / manual alerts to candidates & staff
- **Assessments / Tests**
  - Conduct online assessments for each candidate
  - Upload question papers (multiple choice only)
  - Create assessment based on subjects or topics
  - Random question picking from the list for each candidate
  - If not using online assessment, manually update scores
  - View and analyze results
- **Placement Tracking & CV Maker**
  - Add / Update companies with all HR information
  - Add relevant openings and locations for each company
  - Search and track placements for each candidate
  - Manage various stages of interviewing process
  - Follow-up & set reminders
  - Post placement tracking
  - CV Maker with different template options
- **Reports**
  - Customizable reports with Mix & match on any fields within the application
  - Generate now to view & download instantly or schedule reports to be emailed to self or others
